## VERSE 1

G  
Let thank you be my first response  
C  
When fear is loud and hope seems lost  
Em  
Let all my doubts know you're still God  
C  
I'll say thank you

G  
Let thank you be my shield and sword  
C  
My weapon when the battle's long  
Em  
Let victory know that you are Lord  
C  
I'll sing thank you

## CHORUS

G  
I'll rejoice in  
Em  
Every season  
C  
Knowing you are God

G  
In the quiet  
Em  
Your peace breaks the silence  
C  
Of my every thought

Em  
I don't need to understand  
C  
How you love me as I am  
G  
I just know you are good  
D  
I know you are good

## VERSE 3

Let thank you be my sacrifice  
Knowing that you paid the price  
No words could ever magnify  
But I'll start with thank you

## BRIDGE

C Em G/B D

In every morning  
Your mercy's unfolding  
It never ends, it never ends, it never ends

Even in suffering  
It's You I put hope in  
You never fail, You never fail, You never fail
