## VERSE 1

6 5 4

Let justice run like a river  
Let mercy flow like a never-ending stream  
Planted firm, we will not wither  
Yielded to the vine let the wicked be redeemed

## CHORUS

1 4

We agree with You God

1 4

It's You we seek, You we want

6 4

Our lives surrendered, with one accord

1 4

We agree with You God

## VERSE 2

6 5 4

We'll weep no more like days of Zion

You hear our cries and You respond

6 5 1/3

Signs and wonders as in Egypt

6 5 4

Those who ask encounter God

## BRIDGE

4

Who spoke the stars into the sky

5

Who calls the oceans to the shore

3m

Who upholds laws and leaders

6m

And rules forevermore

(The Lord is His Name)

Who breaks off every stronghold

Brings giants to their knees

Shakes up all our defences

Shows mercy to the weak

(The Lord is His Name)

Who shuts the mouths of lions  
Restores sight to the blind  
Stands with me in the fire  
Brings dead things back to life

(The Lord is His Name)

His love will last forever  
His grace is near at hand  
His kindness never-ending  
His kingdom will withstand
